Stanford Medical Center
300 Pasteur Drive
Palo Alto
California - USA.

Dear Professor Lederberg,

Thank you very much for the letter of October 31, 1963 and for the enclosed copy of your letter to Dr. Gibbons. The information will be most useful for the evaluation of possible consequences of planetary contamination, and I greatly appreciate your prompt reaction on my request.

With kindest regards.

Sincerely yours,

C.-G. Hedén
